

MASTER OF ARTS

Athletic Coaching

Available: Online Program

Build your knowledge, motivate your players, and enhance your team's performance. We focus on the whole coach—from courses on performance enhancement, sports medicine, and nutrition to leadership, psychology, and ethics. Whether it's at the international, national, collegiate, high school, or youth level, we'll help you become a more effective coach.

Highlights

- U.S. News and World Report ranked our online programs in the top 15% of 1,200 regionally accredited institutions.
- Classes are 100% online. That means you can access them anywhere, anytime.
- The average student takes a year to finish their degree while working full time.
- Each class lasts eight weeks and is completed with the same cohort of graduate students.

Our online degree is perfect for any coach looking to take their knowledge and skills to the next level. In only one year, complete your master's, while learning from experienced instructors that understand your goals as a coach.

— Jason Gallaher, Program Director
